IT INITIAL: ROSTER AND ADDITIONAL INFORMATION

OVERVIEW:

Welcome to IT Initial training— we are so excited to have you! We are here to support you on your journey into IT at UWM. This program is designed to cover various topics across IT, ranging from our culture and principles to practical aspects of our workflow and team interactions, to set you up for success in your new role.

Prior To Class:

- Punch in for the day upon entering the building or via UKG Pro.
- Check work-related communication items such as email, tasks, messages, or voicemail.
- Check in with your team leader daily and let them know if you need anything during training.
- Before coming to the first IT Initial training session, be sure to dock your computer at least once to connect to the network.
